

Many are waking up to the shortcomings of their government.

BUT WHAT'S THE ALTERNATIVE?

Join HHC minister Paul Bethke for food and conversation about the responsibilities required of free people and a decentralized system of government that has existed for thousands of years.

Paul and Lisa Bethke have been travelling around the country for more than a year helping to reawaken people to a charity-based system of government which is a major subject of the Bible and has been the norm throughout history.

"...our modern reliance on government to make law and establish order is not the historical norm."

The Enterprise of Law: Justice without the State
by Dr. Bruce L. Benson

In his book **Decline and Fall of the Roman Empire**, Edward Gibbon praised *"the union and discipline of the Christian republic"* and noted that *"it gradually formed an independent and increasing state in the heart of the Roman Empire."*

Mobile Ministries at Lake Hawkins, Texas

Saturday, February 20th • 1:00pm

The weather seems to be shaping up nicely for us to enjoy the wonderful view of Lake Hawkins while engaging in fellowship and learning the practicalities of the Kingdom. Rain won't stop us—there's a nice screened-in covered area where we can enjoy the view while staying dry. Plenty of picnic tables and chairs.

FOOD: Local congregation, His Church at Ouichita, will provide hamburgers with local grass-fed beef. Bring whatever fixins, side-dishes, drinks and deserts you think might go well. There's a gas grill, fridge, sink, running water.

ACTIVITIES: For those needing more than conversation to drag them out of the house: Bring a fishin' pole. There are a couple docks, canoes and a kayak. Or bring a bike...the 12-mile oil-paved road around the lake is a popular biking destination.
